

Ed Ludwick Memorial Scholarship

In May of 2006, James F. Shea, Chief Executive Director of Fairmont Homes, established the Ed Ludwick Memorial Scholarship Fund for the benefit of Little Flower Parish, in memory of Mr. Ludwick, President of Fairmont Homes. This gift was in honor of his leadership commitment to the company. Ed Ludwick was a long-time member of the Little Flower Parish in South Bend, IN and a strong believer in children pursuing higher education.

As a result, this fund was established to provide tuition support to a student from Little Flower Parish, looking to attend either Marian High School (Mishawaka, IN) or St. Joseph High School (South Bend, IN).

After learning of the gift established in her husband's honor, Mrs. Ludwick contacted the foundation and asked if she could also give to the fund. Since 2006, combined gifts from Mrs. Ludwick, Fairmont Homes and Jim Shea have provided enough funding to support a student for all 4-years, covering full tuition.
